 1-year parts and labor warranty plus a 1-year compressor coverage to keep your kitchen running smoothly.

PRODUCT OVERVIEW

The IceVault Series IVPT92 pizza prep table is designed for high-volume commercial kitchens and pizzerias, offering 24 cu. ft. of refrigerated storage along with a functional prep surface. This freestanding unit features 3 solid swing doors with recessed handles for easy access.

This restaurant prep table comes with 3 adjustable PVC-coated shelves and supports twelve 1/3-size pans, giving flexible storage options. The design includes self-closing doors with a 90° stay-open function for convenience during loading and service. This unit features 4 heavy-duty casters with brakes for easy mobility.

The refrigerator operates with R290 refrigerant and a 2/3 HP compressor for effective cooling. It uses 115 V, 60 Hz, single-phase power, drawing 6.96 A, and is equipped with a NEMA 5-15P plug. The working temperature range is 33°F to 40°F, suitable for keeping ingredients fresh, and it can withstand ambient temperatures up to 90°F.

The external dimensions of this restaurant prep table are 91.9 in (W) × 31.5 in (D) × 39.4 in (H), and it is constructed with stainless steel and aluminum for durability. The unit is ETL Listed and ETL Sanitation Listed, assuring compliance with safety and sanitation standards. This commercial pizza prep table comes with a 1-year parts and labor warranty plus a 1-year compressor warranty for dependable support.
