WARRANTY
6 Month Warranty

SPECIAL FEATURES

- High Production Volume**
 Produces 500 lb of full cube ice per 24 hours to meet high-volume demands.
- Efficient Cooling**
 Air-cooled refrigeration system with R290 refrigerant delivers consistent ice quality.
- Flexible Installation**
 Freestanding design with 6 ft power cord allows easy placement.
- Large Storage Capacity**
 350 lb built-in bin ensures a continuous supply of ice.
- Reliable Operation**
 Removable dust filters and flexible air design support optimal ventilation.
- Certified Safety**
 ETL Sanitation (NSF/ANSI 7-2014/2016) ensures compliance with hygiene standards.

PRODUCT OVERVIEW

The CoolEdge Series CEIC350 Ice Machine with Bin is a high-capacity, commercial-grade ice solution designed for hotels, restaurants, and catering operations. This freestanding unit is constructed from metal and produces 500 lb of full cube ice per 24 hours and includes a 350 lb storage bin, ensuring a consistent supply of ice for high-volume foodservice environments.

The unit features an air-cooled refrigeration system with R290 refrigerant, operating on 115 V, 60 Hz with a single-phase power supply. Ice production is efficient and reliable, supported by removable dust filters and a flexible air design for optimal ventilation. Measuring 30 in W x 32 in D x 68.5 in H, the ice machine is designed for easy placement in commercial kitchens.

The included 6 ft power cord provides convenient connectivity to various outlets. Certified with ETL Sanitation (NSF/ANSI 7-2014/2016), the CoolEdge Series Ice Machine with Bin comes with a 6-month warranty.
