  Glass panels support clear visibility of food items in cafeteria and buffet service environments.
- **Easy Cleaning**
  Glass and stainless steel surfaces support routine cleaning in commercial foodservice operations.
- **Certified Construction**
  cETLus Listed and ETL Sanitation Listed certifications are included for commercial foodservice compliance.

PRODUCT OVERVIEW

The ProKitchen Series Sneeze Guard is designed for commercial kitchens, cafeterias, buffet counters, and self-service food display stations. It features a 4-sided food protection canopy structure with clear glass panels and stainless steel posts. The unit measures 72" (L) x 29.5" (W) x 16" (H) and is built with a stainless steel frame for installation over refrigerated self-service buffet tables and cold food tables.

The ProKitchen Series Sneeze Guard is constructed with clear glass supported by stainless steel posts for open food display environments. The design includes no doors and no lighting, maintaining an unobstructed serving area. It is suitable for commercial buffet counters and cold food service stations in restaurants, cafeterias, and foodservice operations.

The ProKitchen Series Sneeze Guard features a canopy-style frame that provides 4-sided food protection for displayed food items. The easy-to-clean glass surfaces and stainless steel frame support routine cleaning in commercial kitchen and cafeteria environments. The open design supports continuous visibility of food items during service operations.

The ProKitchen Series Sneeze Guard is cETLus Listed and ETL Sanitation Listed for commercial foodservice compliance. It includes a stainless steel frame with glass panels and a 1-year manufacturer warranty. The unit is designed for compatibility with refrigerated self-service buffet tables and cold food tables in commercial kitchen setups.
