- High Capacity**
 The 29.66 cb3 capacity supports bulk food storage and display in restaurant environments.
- Open Air Access**
 Doorless open air refrigerated design supports front access in food handling areas.
- Certified Unit**
 CE Certified, ETL Listed, ETL Sanitation Listed, and NSF Certified with a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ChillCore Series Display Merchandiser is designed for commercial kitchen, supermarket, and restaurant display use. It features a freestanding installation type with a doorless open air refrigerated design for front access. The unit measures 76.18" (W) x 30.98" (D) x 78.74" (H).

The cabinet is constructed with powder coated steel and glass in a black finish. It includes double tempered glass at the sides for structure and visibility. The unit offers a display size of 26.7 sq.ft. with 4 adjustable shelves for organized food display.

This unit provides a capacity of 29.66 cb3 and uses ventilated cooling with a finned evaporator and bottom mounted compressor. It uses R404a / R290 refrigerant with a thermostatic expansion valve and includes automatic defrost and automatic drain water system.

LED lighting is installed on every shelf. It includes a night curtain and operates with a digital controller. The unit is CE Certified, ETL Listed, ETL Sanitation Listed, and NSF Certified, and includes a 1-year warranty by the manufacturer.
