## PRODUCT OVERVIEW

The ChefPro Series 24" x 48" x 74" Chrome Stationary Wire Shelving Starter Kit is designed for commercial kitchen dry storage, front-of-house areas, retail, stock rooms, garages, and warehouses. This silver shelving starter kit uses chrome-plated metal wire with a chrome finish.

The shelving unit measures 48" (L) x 24" (W) x 74" (H). It includes four posts with a listed 1-inch post diameter and a 74-inch post height.

Six adjustable, stationary, vented shelves are included. Each shelf has a listed capacity of 600 lb, with a total listed weight capacity of 3000 lb.

The kit includes 24 pairs of split sleeves for shelf assembly. It is supplied without casters and requires assembly. The shelving kit is NSF Certified and includes a 1-year limited replacement warranty by the manufacturer.
