SPECIAL FEATURES

- ✓ **Sturdy Construction**
Stainless steel exterior ideal for commercial use.
- ✓ **Large Storage Bin**
80 lb built-in bin keeps ice organized and readily available.
- ✓ **Precise Operation**
Air-cooled refrigeration system ensures consistent and reliable ice production.
- ✓ **Flexible Installation**
Freestanding design with 6 ft power cord and NEMA 5-15P plug for easy setup.
- ✓ **High Ice Production**
Produces 280 lb of full cube ice in 24 hours to meet heavy-demand environments.
- ✓ **Convenient Accessories**
Includes drain, ice scoop, and door-activated light for easier operation.
- ✓ **Stable Placement**
Adjustable leveling feet provide stability on uneven surfaces.

PRODUCT OVERVIEW

The CoolEdge Series CEIC280 Ice Machine with Bin is a commercial-grade ice machine designed for commercial kitchens, bars, and catering operations. Made from durable stainless steel, it delivers 280 lb of full cube ice in 24 hours and features an 80 lb storage bin for continuous ice availability. The unit includes an auto shut-off system when the bin is full and comes with essential accessories such as a drain, ice scoop, and door-activated light.

This ice machine operates on 115 V, 60 Hz, 1-phase power with a NEMA 5-15P plug and uses R290 refrigerant for reliable operation. Its air-cooled refrigeration system ensures consistent ice production, while adjustable leveling feet provide stable operation. The unit is equipped with a 6 ft power cord for flexible placement and simple integration into any commercial kitchen setup.

Measuring 30 in (W) x 30 in (D) x 35.5 in (H), this freestanding ice machine is designed for easy installation. It comes with a dependable 6-month warranty.
