PRODUCT OVERVIEW

The ProKitchen Series Dry Bakery Display Case is a countertop display unit designed for bakeries, cafés, coffee shops, convenience stores, and food service operations. Constructed from metal and glass with a black finish, it features a curved glass design with an internal shelf for displaying baked goods and packaged food items.

The non-refrigerated display case is designed for dry product presentation and merchandising. Its curved glass structure provides product visibility from multiple viewing angles, making it suitable for countertop placement in commercial kitchen service areas and retail counters.

The unit features two sliding glass doors that provide access to the display area for loading and serving products. The glass door design supports visibility while maintaining separation between displayed items and the surrounding environment.

The display case measures 25.86" (L) x 12.2" (D) x 17.71" (H) and includes an easy installation attachment for countertop setup. It is part of the ProKitchen Series and includes a 1-year warranty by the manufacturer.
