WARRANTY

10-Year Panel, 1-Year Door Parts, 2-Year Compressor & Parts, 1-Year Labor on Refrigeration Unit

SPECIAL FEATURES

- Steel Panel Construction**
 White galvanized steel construction with 24-gauge panels supports commercial kitchen refrigeration environments.
- Top Mounted Cooling**
 The top mounted refrigeration system includes a condensing unit and evaporator for walk-in cooler operation.
- Flush Mounted Door**
 The self-closing flush-mounted door supports regular commercial kitchen and food handling operation.
- R-448A Refrigerant**
 The refrigeration system uses R-448A refrigerant for commercial cooling applications.
- Certified Refrigeration**
 UL Listed US, NSF Listed, and DOE certifications meet commercial refrigeration requirements.
- Thick Polyurethane Insulation**
 The 4" insulation includes an R-28 thermal resistance rating for refrigerated food storage applications.
- Secure Door Access**
 The solid swing door includes a keyed lock for controlled restaurant and foodservice storage access.
- Indoor Outdoor Use**
 This walk-in cooler is specified for indoor and outdoor refrigeration installations.
- Modular Panel Design**
 The modular cam-lock and tongue & groove construction supports walk-in cooler assembly.
- Warranty Coverage**
 It includes a 10-year panel warranty, 1-year door parts warranty, 2-year compressor & parts warranty, and 1-year labor warranty by the manufacturer.

PRODUCT OVERVIEW

The PolarBox Series walk-in cooler is designed for restaurants, foodservice operations, and commercial kitchen refrigerated storage applications. It features white galvanized steel construction with durable 24-gauge panels for food handling environments. The unit measures 79" (L) x 118" (W) x 87" (H) with a 6 ft nominal width, 10 ft nominal depth, and 7 ft nominal height.

This walk-in cooler includes 4" thick polyurethane insulation with an R-28 thermal resistance rating for refrigerated storage applications. The insulation material is CFC and HFC free for commercial refrigeration environments. The modular cam-lock and tongue & groove panel design supports installation and assembly. A standard galvanized steel floor is included for indoor and outdoor commercial kitchen use.

The top mounted refrigeration system includes a condensing unit and evaporator with R-448A refrigerant. The cooler operates on 208/230 V, 1 phase, 60 Hz power with a hardwired connection. The solid swing door includes a keyed lock, self-closing feature, and flush-mounted construction for refrigerated food storage access.

This PolarBox Series walk-in cooler is UL Listed US, NSF Listed, and DOE certified for commercial refrigeration applications. It includes one solid door with a 77" door height for restaurant kitchen access. The cooler is proudly made in America. It includes a 10-year panel warranty, 1-year door parts warranty, 2-year compressor & parts warranty, and 1-year labor warranty on the refrigeration unit by the manufacturer.
