Compressor: 3 Years

SPECIAL FEATURES

- Professional Display Cooling**
 Self-contained refrigeration system maintains consistent temperature between 33°F-39°F, ideal for retail and foodservice merchandise display.
- Certified Quality**
 Multiple certifications including ETL Listed, CE, CB, and ISO ensure compliance with industry standards and quality requirements.
- Flexible Organization**
 Four adjustable shelves allow customizable product arrangement and efficient space utilization for varied merchandise displays.
- Modern Design**
 Black coated steel construction with contemporary finish enhances visual appeal while ensuring durability.
- Sturdy Construction**
 Robust 441 lb frame ensures stability and durability for continuous commercial use.
- Eco-Friendly Operation**
 Uses environmentally responsible R-290 hydrocarbon refrigerant with efficient 1/2 HP compressor for sustainable cooling performance.
- Extended Warranty Protection**
 Comprehensive coverage with 1-year warranty on entire unit and 3-year warranty on compressor for long-term reliability.
- Easy Mobility**
 4-inch casters enable smooth repositioning and flexible placement options within retail or foodservice environments.
- Ready Installation**
 Includes 6-foot power cord with NEMA 5-15P plug for convenient setup and 220V single-phase operation.

PRODUCT OVERVIEW

This vertical open air merchandiser is constructed from durable black coated steel and finished in a modern black tone, making it a strong visual fit for retail or foodservice settings. It operates on a self-contained refrigeration system using eco-friendly R-290 hydrocarbon refrigerant, maintaining a consistent temperature range of 33°F to 39°F. The unit runs on 220V, 60 Hz, single-phase power with a 1/2 HP compressor and includes a 6 ft power cord with a NEMA 5-15P plug.

Designed for freestanding installation, it features four adjustable shelves to organize chilled products efficiently. Mobility is supported by 4-inch casters, allowing easy repositioning. The unit is backed by multiple certifications, including ETL Listed, CE, CB, and ISO, ensuring compliance and quality assurance.

Measuring 45.7 in (W) x 25.6 in (D) x 81.4 in (H), it's built for robust performance. The merchandiser includes a 1-year warranty on the entire unit and a 3-year warranty on the compressor.
