- Ventilated Cooling**
 Ventilated cooling with automatic defrost and bottom mounted compressor supports temperature control.
- Certified Unit**
 cETLus Listed, ETL Sanitation Listed, and NSF Certified with a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ChillCore Series Refrigerated Display Case is designed for commercial kitchen, bakery, and restaurant display applications. It features a freestanding installation type and operates on 1 phase, 115 V, 60 Hz with 15.4 A for standard electrical setup.

The unit is constructed with powder coated steel and glass in a black finish. It includes double tempered glass on all sides with heater in front and 2-side glasses along with an openable front glass. The rectangular cabinet measures 51.7" (W) x 27.4" (D) x 79.2" (H) and includes 2 sliding acrylic doors at the back.

This display case provides a capacity of 15.7 cb3 with 4 shelves for structured food display. It uses ventilated cooling with a bottom mounted compressor and automatic defrost system. A digital controller with LED display supports temperature control.

The unit includes 4 casters and 2 adjustable feet for positioning. It is cETLus Listed, ETL Sanitation Listed, and NSF Certified, and includes a 1-year warranty by the manufacturer.
