- Manufacturer Warranty**
It includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ChillCore Series back bar cooler is designed for bars, restaurants, and commercial kitchens that require refrigerated beverage storage behind service counters. This back bar refrigerator operates on 115 V power and uses a digital control system to support freestanding installation in service areas.

The unit provides 11.7 cu ft capacity and features three glass doors with self-closing operation. It maintains a temperature range of 33°F to 41°F, displayed through a digital display for clear temperature monitoring during operation.

Constructed from stainless steel with a silver finish, the cooler measures 21" (L) x 53" (W) x 33" (H). It includes six adjustable and removable shelves, supporting flexible organization of beverages in commercial kitchen and bar environments.

The refrigerator includes interior lighting, automatic defrost, UV-filtered glass doors, and a child lock. It is ETL Listed and part of the ChillCore Series. This unit includes a 1-year warranty by the manufacturer, supporting standard commercial use.
