SPECIAL FEATURES

- High Ice Output**
 Produces up to 550 lb of half cube ice every 24 hours for commercial kitchen beverage service and food handling applications.
- Digital Operation**
 Digital controls and a digital display provide operational information for chefs and foodservice staff.
- Self-Clean System**
 The self-clean system supports routine cleaning in commercial kitchen environments.
- Medium Storage Capacity**
 The integrated storage bin holds up to 375 lb of ice for restaurant and hospitality use.
- Automatic Bin Shut-Off**
 The automatic bin shut-off function is incorporated into the ice storage system design.
- Certified Compliance**
 The unit is certified to cETLus, ETL Sanitation, and NSF standards and includes a 1-year parts and labor warranty by the manufacturer with a 5-year compressor warranty.

PRODUCT OVERVIEW

The ProKitchen Series Air Cooled Modular Ice Machine with Bin is designed for restaurants, hotels, bars, and commercial kitchens requiring ice production with integrated storage. It produces up to 550 lb of half cube ice every 24 hours and includes a 375 lb storage bin. The unit is built with stainless steel and uses an air-cooled condenser with R290 refrigerant. Its dimensions are 29.9" (W) x 32.7" (D) x 67.6" (H).

The ProKitchen Series Air Cooled Modular Ice Machine with Bin operates on 115 V, single-phase power at 60 Hz with a wattage rating of 1240 W. It uses a NEMA 5-15P plug and includes a 60-inch power cord. Digital controls and a digital display provide operational information for commercial kitchen use. The freestanding installation includes adjustable leveling feet for placement support.

The ProKitchen Series Air Cooled Modular Ice Machine with Bin produces half cube ice and includes adjustable ice thickness settings for beverage and foodservice applications. An automatic bin shut-off function is integrated into the storage system. The self-clean system supports routine maintenance in commercial kitchen environments, while foamed-in-place polyurethane insulation is incorporated into the bin structure.

The ProKitchen Series Air Cooled Modular Ice Machine with Bin includes a 375 lb insulated storage bin for restaurants, catering, and hospitality operations. Accessories include an ice scooper, water hose, and drain hose for installation and daily use. The unit is certified to cETLus, ETL Sanitation, and NSF standards and includes a 1-year parts and labor warranty by the manufacturer along with a 5-year compressor warranty.
