WARRANTY

1 Year Limited Warranty

SPECIAL FEATURES

- **PVC Material**
  Polyvinyl chloride construction is specified for flexible door sealing use.
- **Black Color**
  Black finish aligns with common refrigerator and freezer door components.
- **Gasket Type**
  Listed as a gasket for door sealing applications in refrigeration equipment.
- **Magnetic Design**
  Magnetic door gasket feature is listed for cabinet door contact.
- **Reach-In Usage**
  Specified for reach-in refrigerators and freezers in commercial kitchens.
- **Limited Warranty**
  Includes a 1-year limited warranty by the manufacturer as stated.

PRODUCT OVERVIEW

The Medal Equipment gasket is a magnetic door gasket designed for reach-in refrigerators and freezers used in commercial kitchen environments such as restaurants and food storage areas. Classified as a gasket, it functions as a sealing component fitted along the door perimeter. The part supports routine servicing and replacement of refrigeration equipment.

This gasket is manufactured from polyvinyl chloride, providing a flexible structure suitable for refrigeration door sealing applications. The specified material forms the body of the gasket and aligns with common sealing components used in commercial kitchen cold storage equipment.

The unit features a magnetic door gasket configuration, indicating an integrated magnetic strip as stated in the specifications. It is finished in black, providing a standard appearance that matches common refrigerator and freezer door assemblies. The type is listed as a gasket for identification during installation.

Manufactured by Medal Equipment, this gasket is supplied as a single unit for direct installation or replacement. It is specified for reach-in refrigerators and freezers in commercial kitchen settings. It includes a 1-year limited warranty by the manufacturer, providing stated coverage for the defined period.
