PRODUCT OVERVIEW

The IceVault Series IVWTR72 worktop refrigerator is a commercial unit designed for kitchens, bars, and catering operations, offering 15.5 cubic feet of storage while maintaining a functional worktop surface. This product features 3 solid swing doors with recessed handles for easy access and comes with a built-in backsplash to protect walls and surfaces.

This commercial large worktop fridge includes 4 casters for mobility, enabling easy repositioning within commercial kitchen spaces. The refrigerator operates on R290 refrigerant with a 1/3 HP compressor. It runs on 115 V, 60 Hz, single-phase power, drawing 2.7 A, with a total power consumption of 290 W, and includes a NEMA 5-15P plug.

The operating temperature range is 33°F to 40°F, and it can withstand 100°F of ambient temperature. The external dimensions are 71.5 in (W) × 29.5 in (D) × 38.8 in (H), and the unit is made of stainless steel and aluminum with a silver finish for durability.

This model is ETL Listed and ETL Sanitation Listed. This large worktop fridge comes with a 1-year parts and labor warranty and a 1-year compressor warranty for dependable commercial performance.
