 Four 3-inch casters support movement between storage areas and food preparation stations.
- Scoop Integration**
 An integrated scoop rail and included scoop support ingredient handling and portion control.
- Warranty Included**
 It includes a 1-year limited warranty by the manufacturer.

PRODUCT OVERVIEW

The ProKitchen Series Mobile Ingredient Storage Bin is designed for commercial kitchens, bakeries, cafés, and food preparation areas requiring bulk dry ingredient storage with mobility. Constructed from plastic with a white finish, it is suitable for storing sugar, flour, rice, cereals, and other dry bulk food ingredients used in commercial kitchen operations.

The bin features a 27-gallon capacity with storage for up to 680 cups of ingredients, supporting high-volume ingredient handling in food service environments. Its mobile configuration allows movement between storage areas and preparation stations in commercial kitchens.

A clear sliding lid with drawer-type cover provides visibility of stored contents while allowing access during ingredient handling workflows. The integrated scoop rail and included scoop support organized portioning and daily food preparation tasks.

The unit is equipped with four 3-inch casters for mobility and measures 16.1" (L) x 29.5" (D) x 29.3" (H). It is NSF Certified for commercial kitchen use and includes a 1-year limited warranty by the manufacturer.
