WARRANTY

1 Year Limited Warranty

SPECIAL FEATURES

- **PVC Material**
  Polyvinyl chloride construction is specified for flexible door sealing applications.
- **Black Finish**
  Black color matches common refrigerator and freezer door trims.
- **Gasket Type**
  Listed as a gasket for sealing functions around refrigeration doors.
- **Magnetic Design**
  Magnetic door gasket feature provides door contact as listed in the specifications.
- **Reach-In Usage**
  Specified for reach-in refrigerators and freezers in commercial kitchen environments.
- **Limited Warranty**
  Includes a 1-year limited warranty by the manufacturer as stated.

PRODUCT OVERVIEW

The Medal Equipment gasket is a magnetic door gasket designed for reach-in refrigerators and freezers used in commercial kitchen environments such as restaurants, cafés, and food storage areas. Classified as a gasket, it functions as a sealing component around the door frame. The part supports routine maintenance and replacement of refrigeration equipment.

This gasket is manufactured from polyvinyl chloride, providing a flexible construction suitable for door perimeter installation. The specified material aligns with common sealing applications in refrigeration systems. Its structure is intended to fit along the door edge of reach-in refrigerators and freezers used in food handling spaces.

The unit features a magnetic door gasket design, indicating an integrated magnetic strip for door contact as stated in the specifications. It is finished in black, providing a standard appearance that matches typical refrigeration door trims. The type is listed specifically as a gasket for identification during servicing.

Manufactured by Medal Equipment, this gasket is supplied as a single unit for direct installation or replacement. It is intended for reach-in refrigerators and freezers operating in commercial kitchen settings. It includes a 1-year limited warranty by the manufacturer, providing stated coverage for the defined period.
