WARRANTY

1 Year Parts & Labor

SPECIAL FEATURES

- Multi Cooking Zones**
 4 burners plus integrated griddle support mixed cooking in commercial kitchen operations.
- Cast Iron Build**
 Cast iron burners and 12" x 12" grates support heavy-duty cookware use in restaurant kitchens.
- Mobility Design**
 Freestanding structure with 4 casters (2 with brakes) supports kitchen layout flexibility.
- High Heat Output**
 171,000 BTU total output with 30,000 BTU burners and 20,000 BTU griddle performance.
- Oven Temperature Range**
 Oven operates between 250°F and 550°F for baking and roasting applications.
- Certified Equipment**
 cETLus, ETL Sanitation, NSF certified with 1-year parts & labor warranty.

PRODUCT OVERVIEW

The ProKitchen Series Gas Range with Griddle & Oven is a freestanding commercial kitchen cooking unit designed for restaurants, hotels, and catering environments requiring multi-functional cooking equipment. The unit is constructed with a welded stainless steel frame suitable for continuous commercial kitchen use.

This gas range operates on natural gas with a total BTU output of 171,000 BTU. It includes 4 open lift-off burners, each rated at 30,000 BTU, built with cast iron burner material and 12" x 12" cast iron grates. A 12" smooth griddle section is included with 20,000 BTU output for flat cooking applications in commercial kitchen operations.

The integrated standard oven delivers 31,000 BTU with a U-shape burner system. It operates within a temperature range of 250°F to 550°F. The oven interior measures 26.6" (W) x 26" (D) x 13.9" (H) and includes 2 oven racks for baking and roasting workflows in food service environments.

The unit measures 36" W x 32.1" D x 60.3" H and weighs 397 lb. It is freestanding with four casters, including two with brakes, and features a stainless steel back riser and shelf, removable grates, and a pull-out crumb tray. It includes a 3/4" NPT rear gas connection, standing stainless steel pilot, anti-clogging cover, thermal safety valve, and stainless steel oven door. It is cETLus, ETL Sanitation, NSF certified, and comes with a 1-year warranty.
