SPECIAL FEATURES

- Wide Display Area**
The 20.45 sq.ft. display size with 4 adjustable shelves supports structured food presentation in commercial kitchen and retail environments.
- Open Front Access**
Doorless open front access supports direct placement in food service and retail display areas.
- Shelf LED Lighting**
LED lighting on every shelf supports visibility for food display in commercial kitchen and retail counters.
- High Storage Capacity**
The 22.24 cb3 capacity supports bulk food display in supermarket and bakery setups.
- Ventilated Cooling System**
Ventilated cooling with finned evaporator, thermostatic expansion valve, and bottom mounted compressor supports temperature control.
- Certified Unit**
CE Certified, ETL Listed, ETL Sanitation Listed, and NSF Certified with a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ChillCore Series Refrigerated Display Case is designed for commercial kitchen, supermarket, and bakery display applications. It features a freestanding installation type with a doorless open front access design. The unit measures 59.06" (W) x 30.98" (D) x 78.74" (H) for commercial layouts.

The structure is built with powder coated steel and glass in a black finish. It includes double tempered glass at the sides for visibility and structural support. The display area measures 20.45 sq.ft. with 4 adjustable shelves for organized food presentation.

This unit provides a capacity of 22.24 cb3 and operates with ventilated cooling, a finned evaporator, and a bottom mounted compressor. It uses R404a / R290 refrigerant with a thermostatic expansion valve, automatic defrost, and automatic drain water system.

LED lighting is installed on every shelf for display illumination. It includes a night curtain and operates through a digital controller. The unit is CE Certified, ETL Listed, ETL Sanitation Listed, and NSF Certified, and includes a 1-year warranty by the manufacturer.
