PRODUCT OVERVIEW

The ChefPro Series Banquet Chair is designed for banquet halls, restaurants, offices, and commercial seating areas. Featuring a crown back style, the chair includes a tan and beige fabric finish with a copper vein steel frame. The fully assembled design is suitable for indoor table and seating applications in hospitality and foodservice environments.

The chair measures 17.38" (W) x 21.69" (D) x 37.75" (H) with a seat height of 19 inches. The seat is upholstered in beige fabric and includes a padded design with a 2-inch seat thickness. The standard-height configuration supports banquet and dining seating arrangements.

Constructed with an 18-gauge steel frame, the chair has a weight capacity of 300 lbs. The stackable design supports organized storage when not in use. Fire-retardant construction is included as part of the chair's seating features for commercial environments.

The chair is intended for indoor use in banquet halls, offices, and restaurants. It includes a 1-year limited warranty by the manufacturer.
