Month

Compressor: 6 Month

SPECIAL FEATURES

- ✓ **Maximum Storage Capacity**

Accommodates up to 18 pans of 1/6 size across two drawers, optimizing ingredient storage for busy commercial kitchens.
- ✓ **Hygienic & Easy Cleaning**

Removable drawer gaskets and seamless surfaces allow for thorough, fast sanitation to meet strict health and safety standards.
- ✓ **Automated Defrost Function**

Auto defrost cycle ensures consistent cooling performance and reduces manual maintenance labor, enhancing operational uptime and reliability.
- ✓ **Secure Sealing & Freshness**

Removable gaskets ensure a consistent airtight seal on drawers to maintain temperature and protect food quality.
- ✓ **Certified Sanitation Compliance**

ETL Sanitation certification ensures compliance with commercial food safety and sanitation standards.
- ✓ **Precise Temperature Control**

Digital control system maintains temperatures between 33°F-38°F with auto defrost functionality for consistent cooling performance.
- ✓ **Easy Maintenance**

Removable drawer gaskets enable quick cleaning and ensure reliable sealing for optimal refrigeration performance.
- ✓ **Eco-Friendly Cooling**

Utilizes efficient, eco-friendly R290 refrigerant for reliable cooling performance with a lower environmental impact footprint.
- ✓ **Efficient Insulation**

Foamed-in-place insulation technology maintains consistent internal temperatures while maximizing energy efficiency.
- ✓ **Warranty Protection**

Comprehensive 6-month parts and labor warranty plus 6-month compressor coverage guarantees reliable operation.

PRODUCT OVERVIEW

The CECB36 Commercial Chef Base Refrigerator is designed for commercial kitchens to store ingredients efficiently. It features two drawers capable of holding up to 18 pans of 1/6 size, with removable gaskets for easy cleaning and secure sealing.

Constructed from stainless steel in a silver finish, the drawers have recessed handles for smooth access. The unit runs on 115 V, 60 Hz power using a NEMA 5-15P plug, and utilizes R290 refrigerant. The digital control system maintains a temperature range of 33°F to 38°F and includes auto defrost functionality.

Measuring 36 in (W) x 32.25 in (D) x 26.62 in (H), it is compact enough for professional kitchens. The four swivel casters with locks provide secure mobility. Certified by ETL Sanitation and insulated with foamed-in-place technology, this unit comes with a 6-month parts and labor warranty plus 6-month compressor coverage.
