WARRANTY

Parts & Labor: 6 Month
Compressor: 6 Month

SPECIAL FEATURES

- ✔ **Durable Construction**
Gray-coated steel exterior with solid hinged lid provides long-lasting use.

✔ **Compact storage capacity**
5.08 cb3 interior suits operations evaluating chest commercial freezers on sale for smaller footprints.

✔ **Stable Cooling**
Rear-breathing, bottom-mounted compressor delivers consistent performance.

✔ **Easy Mobility**
Four casters allow smooth movement and repositioning.

✔ **Warranty Coverage**
Backed by 6-month parts, labor, and 6-month compressor warranty.
- ✔ **Organized Storage**
One coated steel basket with 66 lb capacity keeps smaller items separate.

✔ **Dual Functionality**
Operates as a freezer (holds at -0.4°F) or refrigerator (32°F–41°F).

✔ **High Ambient Tolerance**
Performs reliably in environments up to 100.4°F.

✔ **Flexible Installation**
Freestanding design with 8.2 ft power cord and NEMA 5-15P plug for quick setup.

✔ **Certified commercial compliance**
CE and SASO certifications support regulated use for chest commercial freezers.

PRODUCT OVERVIEW

The CoolEdge Series CECF28 combo chest freezer and refrigerator is built for foodservice operations needing compact, flexible cold storage, including restaurants, cafés, and catering setups. With a 5.08 cb3 capacity, it suits applications seeking chest commercial freezers that balance space efficiency and temperature versatility, while the gray coated steel exterior and aluminum interior support daily commercial handling.

Operating on 115 V, 60 Hz, single-phase power, this unit draws 1.7 A and 80 W through a NEMA 5-15P plug with an 8.2 ft power cord. A bottom-mounted, rear-breathing compressor using R-600A refrigerant allows placement near walls, making it practical for kitchens comparing commercial chest freezers on sale with limited floor space.

Temperature control supports freezer operation down to -0.4°F and refrigerator operation between 32°F and 41°F, with stable performance in ambient conditions up to 100.4°F.

Commercial Chest Freezers on Sale

Measuring 28 in (W) × 21 in (D) × 33 in (H), the freestanding unit includes four casters for mobility. Certified to CE and SASO standards, the CECF28 meets international compliance requirements. This commercial unit is covered by a 6-month parts & labor warranty and a 6-month compressor warranty.
