SPECIAL FEATURES

- ✓ **High Heat Capacity**  
Four burners deliver a combined 120,000 BTU/hr, supporting grilling and searing tasks in high-volume commercial kitchen environments.

✓ **Manual Burner Control**  
Manual controls with zinc alloy chrome-coated knobs allow direct flame adjustment during service.

✓ **Service-Oriented Features**  
A standby pilot system and large bottom oil collector support routine operation and cleaning.
- ✓ **Cast Iron Grates**  
Cast iron grates support direct-contact cooking and heat retention for broiling applications.

✓ **Countertop Configuration**  
Countertop installation with adjustable heavy-duty stainless steel legs supports placement on commercial kitchen work surfaces.

✓ **Certified and Covered**  
ETL sanitation listing, cETLus listing, and NSF approval support commercial kitchen use, and it includes a 2-year parts and labor warranty by the manufacturer.

## PRODUCT OVERVIEW

The Platinum Flame Series 48" commercial charbroiler is a countertop radiant broiler designed for commercial kitchens, hotel restaurants, food trucks, and outdoor festival operations. It operates on gas power and supports grilling, broiling, and searing tasks using a wide cooking surface for higher output service.

This unit is equipped with four U-shaped steel burners, each rated at 30,000 BTU/hr, delivering a total heat output of 120,000 BTU/hr. Manual controls with zinc alloy chrome-coated knobs allow individual burner adjustment during active food handling.

Constructed from stainless steel and galvanized steel in a silver finish, the charbroiler is built for countertop installation. It measures 47.4" (W) x 25.2" (D) x 15.4" (H) and includes adjustable heavy-duty stainless steel legs for stable placement on commercial kitchen counters.

Additional features include a standby pilot system, large oil collector at the bottom, and cast iron grates that support heat retention during cooking. The unit is ETL sanitation listed, cETLus listed, NSF approved, and includes a 2-year parts and labor warranty by the manufacturer.
