SPECIAL FEATURES

- ✓ **Durable Interior**

Aluminum/stainless steel interior provides a sturdy and clean storage surface for consistent use.
- ✓ **Secure Access**

Keyed lock limits entry, allowing controlled storage.
- ✓ **Consistent Range**

Maintains a -7°F to 0°F temperature range for reliable frozen storage.
- ✓ **Certified Compliance**

ETL Sanitation Listed and cETLus certifications meet commercial standards.
- ✓ **Efficient Visibility**

LED lighting enhances product clarity, making it ideal for glass door freezer merchandisers in customer-facing areas.
- ✓ **Stable Organization**

Four adjustable PVC-coated shelves support flexible product placement.
- ✓ **Smooth Mobility**

Swivel casters support freestanding placement for easy repositioning in retail spaces.
- ✓ **Warranty Coverage**

1-year parts and labor plus 1-year compressor warranty provides manufacturer-backed protection.

PRODUCT OVERVIEW

The IceVault Series IVMF3123C Merchandiser Freezer with 23 cu ft capacity is designed for retail stores, cafés, and commercial foodservice environments that need a single-section display unit. Its black coated steel exterior provides a durable surface, while the aluminum/stainless steel interior offers a clean and sturdy storage area. The glass swing door provides clear product visibility, making it an ideal glass door freezer merchandiser for customer-facing displays.

This commercial merchandiser freezer measures 81" (H) x 31" (W) x 33" (D), offering ample space for frozen items while maintaining a compact footprint for retail aisles. Four adjustable PVC-coated shelves allow organized product arrangement, and LED lighting enhances interior visibility. The right-hinged, self-closing swing door reduces temperature loss and provides secure access with a keyed lock.

Powered by a 1 HP compressor with R-290 refrigerant, the freezer operates on 115 V, 7.6 A, 60 Hz, 1-phase power with a NEMA 5-15P plug. Electronic controls maintain a stable -7°F to 0°F temperature range, and the auto-defrost system supports consistent operation. Swivel casters allow freestanding placement and flexible floor positioning.

Certified ETL Sanitation Listed and cETLus, this merchandiser freezer includes a 1-year parts and labor warranty plus a 1-year compressor warranty for reliable commercial performance.
