- ✓ **Warranty Protection**
Backed by 6 Month Parts & Labor and 6 Month Compressor warranty coverage.

PRODUCT OVERVIEW

The CoolEdge Series Merchandising Refrigerator CEMR55 provides 41.7 cubic feet of storage capacity with two glass swing doors for clear product visibility. Designed with a stainless steel exterior in silver finish, it includes eight adjustable epoxy-coated wire shelves for flexible product organization.

The unit operates within a 33°F to 41°F temperature range, managed by a digital control panel with LED display. Cooling is powered by a bottom-mounted 1/2 HP compressor that uses R290 refrigerant. Auto defrost functionality supports consistent performance.

Measuring 55.12 in (W) × 34 in (D) × 80.37 in (H) and weighing 595 lb, the refrigerator is freestanding and equipped with four swivel front locking casters for mobility and stability. It connects with a NEMA 5-15P plug and operates at 115 V, 60 Hz, drawing 8.6 amps at 730 W.

Additional features include LED interior lighting for visibility and self-closing glass doors with recessed handles to help maintain internal temperatures. The unit is ETL Sanitation Listed for compliance with foodservice hygiene requirements. Warranty coverage includes 6 Month Parts & Labor and 6 Month Compressor protection.
