SPECIAL FEATURES

- Spacious Storage**
54 cu. ft. capacity provides ample space for large volumes of perishable items.
- Flexible Shelving**
Nine adjustable shelves allow customizable storage layouts for organized storage.
- Multiple Sections**
Three separate sections help categorize and access food efficiently.
- Precise Temperature Control**
Digital controls maintain temperatures between 33°F and 41°F for optimal food safety.
- Reliable Cooling**
R-290 refrigerant with a top-mounted compressor offers efficient and consistent cooling.
- Easy Mobility**
Five swivel casters, three with brakes, allow smooth repositioning and stable placement.
- Bright Interior**
LED lighting enhances visibility and makes it easy to locate stored products.
- Easy Defrost**
Auto-Defrost system minimizes ice buildup and reduces manual maintenance.
- Warranty Coverage**
Includes a 1-year manufacturer warranty for reliable commercial use.
- Secure Storage**
Keyed lock provides added security for valuable items.

PRODUCT OVERVIEW

The ChillCore Series CCRR72 is a freestanding commercial reach-in refrigerator ideal for restaurants, cafés, and catering kitchens that require organized cold storage. This refrigerator provides 54 cu. ft. of storage across 3 solid swing doors, allowing easy access while maintaining efficient cooling.

This stainless steel unit features 9 adjustable shelves across 3 sections. The refrigerator is supported by a top-mounted compressor with R-290 refrigerant. The unit operates within a 33°F to 41°F temperature range with digital controls and includes an auto-defrost system to minimize ice buildup.

The LED lighting improves visibility inside the refrigerator, while a door alarm and keyed lock provide added security. The unit has 5 swivel casters, three with brakes, allowing smooth mobility and stable placement. Overall dimensions are 72.8 in (W) × 31.5 in (D) × 78 in (H), making it suitable for compact commercial kitchens.

This commercial reach-in refrigerator runs on 115 V, 60 Hz with a NEMA 5-15P plug, consuming 656 W. Magnetic door gaskets improve sealing to retain cooling. Certified by ETL Sanitation, DOE, and NSF Approved, this reach-in refrigerator comes with a 1-year warranty.
