- ✓ **Versatile Use**
Suitable for dry environments, retail floors, garages, and stock rooms in foodservice operations.
- ✓ **Warranty Coverage**
1-year warranty offers manufacturer-backed support.

PRODUCT OVERVIEW

The ChefPro Series CPCS24x48 Shelving Kit is ideal for commercial kitchens, stock rooms, retail setups, and front-of-house storage. It is built from metal wire with a chrome finish and a silver color, offering a vented and adjustable layout suitable for dry environments. The unit holds a 1200 qt capacity, supporting bulk storage across various food handling and service needs.

This shelving kit measures 48" (L) x 24" (W) x 72" (H), offering a tall and spacious layout for kitchen, retail, and storage areas. It includes 4 shelves to organize supplies efficiently while maintaining open airflow for visibility. It is NSF listed for sanitation standards, and the unit includes a 1-year warranty by the manufacturer for added support.
