It includes a 1-year parts & labor warranty by the manufacturer.

PRODUCT OVERVIEW

The ProKitchen Series Iced Tea Dispenser is designed for beverage service in commercial kitchens, convenience stores, buffets, and catered events. Constructed from 304 stainless steel with a silver finish, it features a slim design suitable for countertop beverage dispensing setups.

The dispenser has a 5-gallon capacity and is intended for iced tea service applications in high-traffic food service environments. Its slim profile supports placement in beverage stations where space optimization is required.

The unit includes a high-impact plastic lid with a solid lid design for covering stored beverages. A welded handle structure supports handling during placement and service operations in commercial kitchen and beverage service areas.

It features a corrosion-resistant stainless steel valve with a no-drip faucet and a single tap dispensing system. The unit measures 16.54" (L) x 6.69" (D) x 20.79" (H) and includes ETL Sanitation Listing. It is covered by a 1-year parts & labor warranty by the manufacturer.
