- Durable Construction**
 Stainless steel and ceramic-coated cast iron ensure long-lasting performance in commercial kitchens.
- Warranty Included**
 Includes a 1-year warranty by the manufacturer covering parts and labor.

PRODUCT OVERVIEW

The PrepMaster Series Commercial Electric Panini Grill features flat upper and lower plates designed for grilling paninis, sandwiches, wraps, and toasted bread in commercial food service environments. It provides a 15" x 11" cooking surface with dual heating elements and self-balancing upper plates for consistent heat distribution. The grill operates on 120 V, 15 A, 1,800 W, with an adjustable thermostat reaching up to 572°F for precise temperature control.

Constructed from stainless steel and ceramic-coated cast iron, it offers durability and even heat retention during daily commercial use. Overall dimensions are 17.7" (L) x 16.1" (W) x 9.3" (H), and the unit weighs 50 lb, providing a stable base for consistent cooking.

It includes a front-mounted grease drawer for convenient cleaning and maintenance. The control type is variable, allowing adjustment according to cooking requirements, and the plug type is NEMA 5-20P.

Certified by cULus and NSF, the PrepMaster Series PMEPG120F includes a 1-year warranty by the manufacturer covering parts and labor for commercial kitchen use.
