PRODUCT OVERVIEW

The ChillCore Series CCCB60 Chef Base Refrigerator is a heavy-duty refrigeration solution designed for commercial kitchens, restaurants, and catering environments. Built from metal with a sleek silver finish, this unit provides reliable cold storage. With 2 drawers and a refrigerated base style, it allows chefs to keep essential ingredients within easy reach.

This commercial chef base refrigerator operates on 115V, 60Hz with a 2.2A current draw and is equipped with a digital control system for precise temperature management. The temperature range of 33°F to 41°F offers safe storage of perishable items. The unit runs on R-290 refrigerant with a 2.29 oz capacity for reliable cooling. A NEMA 5-15P plug type makes it easy to install in commercial kitchen setups.

Measuring 60.5" W x 32.5" D x 25" H, this refrigerated chef base provides ample storage without taking up unnecessary space. It is ETL Listed, ETL Sanitation Listed, and NSF Listed for compliance with safety standards. It comes with a 6-month warranty for dependable performance.
