WARRANTY
1 Year Limited Warranty

SPECIAL FEATURES

- ✔ **Durable Construction**
Built from strong steel with a gray powder-coated finish, the locker withstands frequent use in commercial and industrial environments.

✔ **Security Features**
Each door accepts a padlock and includes a name plate/tag holder for user identification, supporting organized storage and secure handling.

✔ **Warranty Coverage**
It includes a 1-year warranty by the manufacturer, supporting long-term use in food service, recreational, and industrial facilities.
- ✔ **Multiple Storage Doors**
Six louvered doors allow separate compartments for staff or user belongings in restaurants, schools, and offices.

✔ **Raised Clearance**
The 6" legs provide floor clearance for cleaning and placement flexibility in commercial spaces.

PRODUCT OVERVIEW

The ChefPro Series Locker by Klinger's Trading is designed for restaurants, schools, industrial facilities, offices, and recreational spaces requiring secure personal storage. Constructed from strong steel with a gray powder-coated finish, it provides durable surfaces suitable for daily use.

This locker features six louvered doors with flush pulls or handles, each accepting a padlock for security. It includes a name plate/tag holder for user identification. The locker measures 12" (W) x 16" (D) x 77" (H), with each door providing a 10.18" (W) by 10.56" (H) opening. The unit rests on 6" legs for floor clearance and weighs 65 lb. It is sold as 1 unit and includes a 1-year warranty by the manufacturer.
