1 Year Warranty

SPECIAL FEATURES

- Impulse Sales Ready**
 The open air curtain front and frame lighting make chilled beverages visible and accessible at the cash desk, supporting impulse purchases without requiring a customer to open a door.
- Standard Circuit Compatible**
 At 110V / 6.8A / 620W, the unit connects to a standard commercial kitchen electrical outlet without requiring dedicated wiring or additional electrical work.
- Stable on Any Floor**
 Adjustable leg levelers allow the freestanding unit to sit level on uneven tile, concrete, or finished flooring commonly found in commercial kitchen and retail spaces.
- High Can Capacity**
 The 9.3 cu ft interior accommodates up to 120 standard canned beverages, reducing how frequently staff need to restock during a busy service period.
- Certified for Commercial Use**
 ETL Listed, ETL Sanitation Listed, and DOE Compliant certifications confirm the unit meets recognized safety, sanitation, and energy efficiency standards for commercial food service environments.
- Included Warranty Coverage**
 The unit comes with a 1-Year Warranty, giving buyers a defined period of coverage from the date of purchase.

PRODUCT OVERVIEW

The Frigomax Series Vertical Air Curtain Merchandiser is a freestanding open-front cooler designed for commercial kitchens, convenience stores, cafes, and restaurant checkout areas where impulse purchases drive additional revenue.

Built for point-of-sale placement, this unit holds up to 120 standard 12 oz canned beverages a practical benchmark for operators stocking bottled drinks near a cash desk. The 9.3 cubic foot interior maintains a temperature range of 30°F to 45°F, keeping chilled items at safe serving temperatures throughout a full service day.

The merchandiser operates on 110V / 60Hz power, draws 6.8 amperes, and runs at 620 watts, making it compatible with standard commercial kitchen electrical circuits without additional infrastructure. The R290 refrigerant is a low-global-warming-potential option, and the unit carries ETL Listed, ETL Sanitation Listed, and DOE Compliant certifications for verified performance and energy standards.

At 29.5" (L) x 26" (W) x 57.5" (H), the compact footprint fits beside a service counter or within a retail floor plan without occupying significant floor space. Adjustable leg levelers allow stable placement on uneven surfaces, and the integrated frame lighting highlights merchandise visibility. The unit ships and sells as a single piece. A 1-Year Warranty is included with purchase.
