SPECIAL FEATURES

- ✓ Generous Capacity**
 17 cubic feet storage with space for 2 kegs supports efficient beverage service.
- ✓ Reliable Cooling**
 3/7 HP compressor with R290 refrigerant maintains a consistent 33°F to 40°F range.
- ✓ Lockable Access**
 Keyed lock restricts entry, keeping stored beverages protected.
- ✓ Adjustable Shelving**
 Four PVC-coated shelves can be customized to fit different storage needs.
- ✓ Certified Assurance**
 ETL Listed and ETL Sanitation certified, backed by a 1-year parts and labor warranty and 1-year compressor warranty.
- ✓ Durable Construction**
 Vinyl-coated steel exterior with a black finish and stainless steel top, interior walls, floor, and ceiling provide durability and resistance to daily commercial wear.
- ✓ Lockable Access**
 Keyed lock restricts entry, keeping stored beverages protected.
- ✓ Bright Lighting**
 LED lighting improves interior visibility for quick access to contents.
- ✓ Stable Mobility**
 Four heavy-duty casters with brakes provide smooth movement and secure placement.

PRODUCT OVERVIEW

The IceVault Series IVBD58 Direct Draw Beer Dispenser is designed for bars, restaurants, and catering setups. With a 17 cubic feet capacity and space for 2 kegs, it offers efficient storage and serving in one unit. Built with a stainless steel interior and a black vinyl-coated steel exterior, it combines durability with a clean finish.

Two solid swing doors with a self-closing feature help maintain temperatures, while a keyed lock provides secure access. Measuring 58.9 (W) x 27.8 (D) x 35.6 (H) inches, this commercial freestanding unit includes one beer tower for direct dispensing. The cooling system uses R290 refrigerant with a 3/7 HP compressor, keeping beverages within a 33°F to 40°F range. Operating at 115 V, 1 phase, 60 Hz, and 3.5 A with a NEMA 5-15P plug, it integrates easily into commercial setups.

LED lighting brightens the interior, and four adjustable PVC-coated shelves offer flexible organization. Heavy-duty casters with brakes allow for smooth movement and stable placement during service. With ETL Listed and ETL Sanitation certifications, it meets commercial standards for safety and sanitation.

This back bar kegerator comes with a 1-year parts and labor warranty and a 1-year compressor warranty, supporting reliable daily use.
