SPECIAL FEATURES

- ✓ Dual Temperature Operation**
 The unit supports refrigerator temperatures from 32°F to 41°F and freezer temperatures down to -0.4°F for commercial food storage.
- ✓ Spacious Interior**
 The specifications list a capacity of 9.81 cu. ft., while the features section states a total capacity of 9.91 cu. ft. for frozen food and ice cream storage.
- ✓ Mobile Configuration**
 Four 1.5" casters support movement and positioning within restaurant and foodservice work areas.
- ✓ Mechanical Controls**
 The mechanical control system provides straightforward temperature adjustment for daily kitchen operations.
- ✓ Easy Maintenance**
 Removable magnetic door gaskets support routine cleaning and maintenance procedures in food handling environments.
- ✓ Certified Construction**
 The unit is CE Certified and SASO certified and includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The KitchenCore Series Combo Chest Freezer & Refrigerator is ideal for restaurants, cafés, convenience stores, and commercial kitchens storing frozen food and ice cream. The unit features a coated steel exterior, embossed aluminum sheet interior, and a capacity listed as 9.81 cu. ft. in the specifications. Its freestanding design measures 44" (W) x 25.7" (D) x 32.8" (H).

This combo chest freezer and refrigerator operates on 115 V, 1 phase power with a 120 W rating and 1.7 A electrical draw. Mechanical controls support refrigerator temperatures from 32°F to 41°F and freezer temperatures down to -0.4°F. The unit uses R600a refrigerant with a 67 g refrigerant charge and a rear-breathing, bottom-mounted compressor.

The unit includes one solid hinged lid with a flat top design and top hinge location. The PCM (Pre-Coated Metal) lid is paired with removable magnetic door gaskets for routine cleaning and maintenance. A coated steel shelf with a 66 lb load capacity provides organized storage for foodservice applications.

Designed with a Less Ice cabinet structure, this unit includes four 1.5" casters for mobility within commercial kitchen environments. The features section lists a total capacity of 9.91 cu. ft. and cyclopentane foaming agent insulation. It is CE Certified and SASO certified and includes a 1-year warranty by the manufacturer.
