Two shelves allow adjustable arrangement of ingredients or containers.
- ✓ Reliable Cooling:**
R-290 refrigerant with auto defrost provides stable performance with minimal maintenance.
- ✓ Certified Safety**
ETL Listed, ETL Sanitation Listed, and DOE Certified for compliance with industry standards.

PRODUCT OVERVIEW

The ChillCore Series CCSPT60 Sandwich and Salad Prep Table is a high-performance sandwich cooler for sale designed for restaurants and foodservice operations needing organized storage and prep space. Constructed from stainless steel in a silver finish, it offers 18 cb3 of storage accessible through two solid swing doors.

The unit accommodates up to 16 pans in 1/6 size format and includes two shelves for additional storage flexibility. ETL Listed, ETL Sanitation Listed, and DOE Certified, it meets industry standards for hygiene and compliance. Measuring 60 (W) × 30 (D) × 36 (H) inches, the table features a 60-inch wide cutting board with 10-inch depth for ingredient preparation. Digital temperature controls maintain consistent storage conditions, while auto defrost reduces maintenance effort.

The bottom-mounted compressor operates with side and rear breathing, using R-290 refrigerant for reliable cooling. With a height of 44 inches including four swivel casters, two with brakes, the table can be moved easily within the workspace.

Solid doors secure contents, and the table operates at 115 V and 60 Hz with 191 W for stable daily performance. The prep table includes a 1-year warranty, offering essential coverage for regular commercial use.
