WARRANTY

**10-Year Panel, 1 Year
Door Parts**

SPECIAL FEATURES

- ✓ **Durable Construction**
Made from 24-gauge white galvanized steel with an floor, providing a strong and stable base for commercial use.
- ✓ **Secure Access**
Solid swing door with keyed lock, self-closing, flush-mounted design, heating wire, and pressure relief vent for controlled entry and smooth operation.
- ✓ **Certified Compliance**
UL Listed, NSF Listed, and DOE certified to meet commercial safety and sanitation standards.
- ✓ **Reliable Warranty**
10-year panel coverage and 1-year coverage on door parts provide long-term support.
- ✓ **Reliable Insulation**
4-inch polyurethane panels with R-33 thermal resistance maintain consistent low temperatures.
- ✓ **Easy Assembly**
Modular cam-lock and tongue-and-groove panels allow precise alignment and straightforward installation.
- ✓ **Hardwired Connection**
Designed for a fixed hardwired power setup suitable for commercial environments.

PRODUCT OVERVIEW

The PolarBox Series Walk-In Freezer Box is ideal for commercial kitchens, restaurants, and foodservice operations that require durable and spacious frozen storage. Made in America, it is constructed from 24-gauge white galvanized steel panels with an floor, offering long-lasting durability and a corrosion-resistant finish. It measures 8 ft (W) × 12 ft (D) × 7 ft (H), delivering ample internal capacity for frozen goods.

The freezer box features a solid swing door with a height of 77 inches, including a keyed lock, self-closing, and flush-mounted design. A heating wire and pressure relief vent maintain smooth operation under low-temperature conditions. Panels use a modular cam-lock and tongue-and-groove design for precise assembly, tight sealing, and straightforward installation. All panels are CFC- and HFC-free for environmentally safe performance.

Insulation consists of 4-inch-thick polyurethane panels with R-33 thermal resistance, keeping temperatures consistent for frozen storage. The unit is designed for hardwired power, suitable for permanent commercial installation.

The freezer box is UL listed, NSF listed, and DOE certified, meeting safety and sanitation standards for foodservice environments. The manufacturer provides a 10-year warranty on panels and 1-year warranty on door parts, supporting long-term operational reliability.
