WARRANTY

10-Year Panel, 1-Year Door Parts, 2-Year Compressor & Parts, 1-Year Labor on Refrigeration Unit

SPECIAL FEATURES

- Galvanized Construction**
 White galvanized steel panels with 24-gauge construction support commercial kitchen cold storage applications.
- Thick Insulation**
 The 4" polyurethane insulation includes an R-28 thermal resistance rating for frozen food holding areas.
- Solid Door Design**
 The flush-mounted solid door includes self-closing operation for restaurant freezer access.
- Indoor Outdoor Use**
 The unit is rated for indoor and outdoor installation in commercial kitchen operations.
- Certified Construction**
 UL Listed US, NSF Listed, and DOE certifications are included for commercial foodservice environments.
- Top Refrigeration**
 The top mounted refrigeration system includes a condensing unit and evaporator for organized freezer installation.
- Modular Assembly**
 The modular cam-lock and tongue-and-groove design supports walk-in freezer panel connection.
- Pressure Relief Vent**
 The pressure relief vent and heating wire are included for freezer door performance in food handling areas.
- Secure Access**
 The keyed door lock supports controlled freezer access in restaurant storage areas.
- Warranty Coverage**
 It includes a 10-year panel warranty, 1-year door parts warranty, 2-year compressor and parts warranty, and 1-year labor warranty on the refrigeration unit by the manufacturer.

PRODUCT OVERVIEW

The PolarBox Series walk-in freezer is designed for commercial kitchen, restaurant, and food storage operations requiring frozen storage capacity. It features white galvanized steel construction with a 24-gauge exterior for structured cold storage applications. The unit measures 138" (L) x 236" (W) x 91" (H) and includes a standard galvanized steel floor for indoor or outdoor installation.

The PolarBox Series walk-in freezer includes top mounted refrigeration with a condensing unit and evaporator. The refrigeration system operates on 208/230 V, 1 phase, 60 Hz power and uses R-448A refrigerant. A hardwired electrical connection is included for commercial kitchen installation requirements.

This walk-in freezer features 4" thick polyurethane insulation with CFC and HFC free material and an R-28 thermal resistance rating. The modular cam-lock and tongue-and-groove design supports panel assembly, while the self-closing flush-mounted solid door includes a keyed lock, heating wire, and pressure relief vent.

The PolarBox Series walk-in freezer is built with one solid door measuring 77" in height and includes UL Listed US, NSF Listed, and DOE certifications. It is proudly made in America and includes a 10-year panel warranty, 1-year door parts warranty, 2-year compressor and parts warranty, and 1-year labor warranty on the refrigeration unit.
