SPECIAL FEATURES

- Flat Cooking Plates**
 Flat stainless steel and ceramic-coated cast iron plates provide a consistent surface for grilling multiple sandwiches, paninis, and wraps in commercial kitchens.
- Large Cooking Surface**
 The 10" x 20" cooking area accommodates multiple sandwiches or paninis at once, improving efficiency in busy foodservice environments.
- Grease Collection**
 The front-mounted grease drawer collects excess oils and crumbs, maintaining cleanliness in high-volume restaurant operations.
- Dual Thermostats**
 Two adjustable thermostats allow independent control of each cooking zone, supporting precise heat management for varied menu items.
- Dual Heating Elements**
 Equipped with dual heating elements, it provides rapid and uniform heating across both plates for consistent food preparation.
- Certified and Covered**
 The cETLus listing indicates compliance with safety standards, and the grill includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The PrepMaster Series Commercial Electric Panini Grill is designed for chefs and foodservice teams in commercial kitchens. It features flat stainless steel and ceramic-coated cast iron plates on all sides, providing a uniform surface for grilling paninis, sandwiches, wraps, and toasted bread. The cooking surface measures 10" x 20", offering space for multiple items simultaneously.

Operating at 3000 W and 208–240 V with a 15.7 A plug type (NEMA 6-20P), the grill uses dual heating elements and variable control thermostats adjustable up to 572°F, allowing precise temperature settings for consistent cooking.

This double panini grill includes self-balancing upper plates to accommodate different sandwich thicknesses and a front-mounted grease drawer that collects excess oils and crumbs, supporting cleanliness in high-volume commercial kitchens.

Finished in silver and black, the unit measures 17.5" (L) x 20.5" (W) x 9.5" (H) and weighs 62 lb. It includes a 1-year warranty by the manufacturer and is cETLus listed, reflecting compliance with safety and hygiene standards in commercial food service.
