1 Year Warranty

SPECIAL FEATURES

- Glass Door Visibility**
 The single swing door features 2 layers of tempered glass, allowing kitchen staff to view frozen contents without opening the door.
- EC Fan Motor**
 An EC fan motor supports efficient airflow and consistent temperature distribution across the 21-cubic-foot interior storage space.
- ETL Certified**
 This reach-in freezer is ETL Listed and ETL Sanitation Listed, meeting recognized standards for commercial food handling and safety compliance.
- Self-Closing Door**
 The self-closing door with a 90-degree stay-open feature supports consistent cold retention during high-traffic service periods in a commercial kitchen.
- Adjustable Shelving**
 Three adjustable, epoxy-coated shelves allow restaurant operators to reconfigure interior storage to accommodate varying sizes of frozen food containers.
- 1-Year Warranty**
 The unit is backed by a 1-Year Warranty, providing a defined coverage period for commercial kitchen operators after purchase.

PRODUCT OVERVIEW

The Frigomax Series 27" Reach-In Freezer is a single-section, glass-door freezer unit suited for commercial kitchens, restaurants, and food service operations where frozen storage visibility and space efficiency are priorities.

This freestanding unit measures 32 1/16" (L) x 27" (W) x 83 1/4" (H) and holds 21 cubic feet of frozen storage capacity across 3 adjustable, epoxy-coated shelves. The temperature range of 0°F to -8°F is maintained by an electronic temperature control system powered by a 1/3 HP bottom-mounted compressor drawing 3.2 amperes at 115V/60Hz on a single-phase circuit, with a NEMA 5-15P plug type for standard outlet compatibility.

The single swing door features 2 layers of tempered glass, a right-side hinge, self-closing action with a 90-degree stay-open feature, and an included keyed door lock with keys — supporting both operational convenience and access control in a busy commercial kitchen environment. An EC fan motor contributes to consistent temperature distribution throughout the cabinet interior.

The exterior is finished in silver stainless steel and rides on 4 casters with brakes, allowing the unit to be repositioned on the kitchen floor and locked securely in place. The unit is ETL Listed and ETL Sanitation Listed, and is backed by a 1-Year Warranty.
