WARRANTY

1 Year Limited Warranty

SPECIAL FEATURES

- **Black Finish**
  Black color is specified for identification and matching with equipment components.
- **Door Switch Type**
  Listed as a door switch for control functions linked to refrigerator and freezer doors.
- **Single Unit Supply**
  Provided as one unit for replacement or servicing of equipment.
- **2-Pin Connection**
  2 pin feature defines the electrical terminal type for wiring compatibility.
- **Refrigeration Usage**
  Specified for refrigerators and freezers in commercial kitchen food storage areas.
- **Limited Warranty**
  Includes a 1-year limited warranty by the manufacturer as stated.

PRODUCT OVERVIEW

The Medal Equipment door switch is designed for refrigerators and freezers used in commercial kitchen environments such as restaurants, cafés, and food storage areas. Classified as a door switch, it functions as a control component associated with door operation. The part suits routine servicing and replacement in refrigeration equipment.

This unit is finished in black, providing a standard appearance that aligns with internal or external electrical fittings. The specified color supports identification during installation and maintenance. The switch construction is intended for use with compatible refrigerator and freezer assemblies in food handling spaces.

The door switch includes a 2 pin configuration as listed in the features, defining the electrical connection type for matching wiring terminals. The 2 pin design supports straightforward integration with designated equipment. This configuration is commonly referenced during part replacement in commercial kitchen refrigeration systems.

Manufactured by Medal Equipment, this door switch is supplied as a single unit for direct installation. It is specified for refrigerators and freezers operating in commercial kitchen settings. It includes a 1-year limited warranty by the manufacturer, providing stated coverage for the defined period.
