ETL Listed and ETL Sanitation Listed for commercial compliance.

PRODUCT OVERVIEW

The IceVault Series IVWTR48 worktop refrigerated counter is a commercial unit ideal for kitchens, bars, and catering operations, providing 12 cubic feet of storage while maintaining a functional worktop surface. This product features 2 solid swing doors with recessed handles for easy access. It comes with a built-in backsplash to protect walls and surfaces.

The unit includes 4 casters for mobility allows easy repositioning within commercial kitchen spaces. This commercial refrigerator worktop operates on R290 refrigerant with a 1/3 HP compressor. Using the NEMA 5-15P plug, it runs on 115 V, 60 Hz, single-phase power, drawing 2.4 A, with a total power consumption of 270 W.

The temperature range is 33°F to 40°F, and the unit can withstand 100°F of ambient temperature. The external dimensions are 47.2 in (W) × 29.5 in (D) × 38.8 in (H), and its body is made of stainless steel and aluminum for durability.

This worktop refrigerated counter is ETL Listed and ETL Sanitation Listed for commercial safety compliance. It comes with a 1-year parts and labor warranty and a 1-year compressor warranty for reliable support.
