MODEL NUMBER: BMIH
Manually Operated Dough Divider

NSF USDA MADE IN U. S. A.

ISO 9001:2015 COMPLIANT

The Dutchess BMIH Series Manual Dough Dividers are simple to operate and extremely accurate. These Dough Dividers will divide a single large piece of dough into 36, 18, 9, or 9 Square equal pieces. With the base unit, dough may be divided into pieces small enough for mini-buns, hamburger or hot dog buns, dinner rolls, all the way up to pieces weighing enough to produce sub rolls, hoagies, pita, pizzas and more.

- Constructed of Heavy-Duty Steel with White Powder Coat finish for Longevity & Durability
- Patented interchangeability feature, there are no tools required to change or remove the head assembly
- Entire machine can be totally cleaned in minutes, either by hand or machine.
- Fast, easy clean up, removable / interchangeable head(s) can be washed in a sink or dishwasher
- Can be used with a variety of dough including yeast raised, cookie, pie and even ground meat/sausage for exact portion control
