 Includes one beer tower for immediate dispensing.
- Flexible Mobility**
 Heavy-duty casters with brakes allow stable, easy placement in any setup.
- Reliable Warranty**
 Backed with a 1-year parts and labor warranty and 1-year compressor warranty.

PRODUCT OVERVIEW

The IceVault Series IVBD23 Direct Draw Beer Dispenser is a commercial dispenser ideal for bars, restaurants, and catering operations. It offers 7 cubic feet of refrigerated storage with a single solid swing door for access. Constructed with a stainless steel interior and black vinyl-coated steel exterior, this bar kegerator is designed for durability in daily commercial use.

It includes two adjustable PVC-coated shelves and a keyed lock for secure storage and comes with one beer tower for direct draft dispensing. Operating on 115 V, 1 phase, 60 Hz, 1.92 A with a NEMA 5-15P plug, the dispenser uses a 1/4 HP compressor with R290 refrigerant to maintain temperatures between 33°F and 40°F.

The door is self-closing, and LED lighting is included to illuminate the interior. Certified ETL Listed and ETL Sanitation Listed, the dispenser meets commercial kitchen standards. Measuring (W) 23.5 in x (D) 30.2 in x (H) 39.8 in, it is freestanding and equipped with 4 heavy-duty casters with brakes for flexible placement and stability. The product includes a 1-year parts and labor warranty and a 1-year compressor warranty.
