**WARRANTY**

**1 Year Warranty**

### SPECIAL FEATURES

- Consistent Cold Display**  
 A temperature range of 36°F to 46°F keeps refrigerated baked goods at a safe serving temperature throughout the day without manual adjustment.
- Clear Customer Visibility**  
 Double tempered straight glass panels and internal LED lighting present baked goods clearly, making items easy for customers to see from outside the case.
- Recognized Safety Certifications**  
 ETL Listed, ETL Sanitation Listed, and DOE Compliant certifications confirm the unit meets established commercial food safety and energy efficiency standards.
- Hands-Free Defrost**  
 Automatic defrost cycles eliminate the need for staff to manually defrost the unit, reducing maintenance tasks during busy service periods in a commercial kitchen.
- Easier Interior Cleaning**  
 The front glass panel swings upward to open the display area fully, giving staff direct access to the stainless steel interior for thorough cleaning between service shifts.
- Flexible Floor Placement**  
 Included leg levelers allow the freestanding case to be positioned steadily on slightly uneven floors common in restaurant and bakery environments.

## PRODUCT OVERVIEW

The Frigomax Series refrigerated bakery display case is a freestanding straight-glass unit designed for bakeries, cafés, and restaurants that need a dedicated cold display for pastries, cakes, and other baked goods in a commercial kitchen setting.

The cabinet holds 17.5 cubic feet of refrigerated storage and maintains a temperature range of 36°F to 46°F, making it suited for displaying temperature-sensitive baked goods safely throughout a service day. Automatic defrost keeps the interior frost-free without manual intervention, and the stainless steel interior supports routine sanitation in a food handling environment.

The unit measures 26.8" (L) x 47.2" (W) x 47.2" (H) and runs on 110V at 4.2 amperes, drawing 440 watts. It uses R-290 refrigerant and operates at 60 Hz. LED lighting illuminates displayed items from within, while double tempered glass on both the front and door panels provides clear visibility from the customer side.

The front glass swings up for easy cleaning access, and included leg levelers allow the case to sit level on uneven flooring. The unit is ETL Listed, ETL Sanitation Listed, and DOE Compliant, meeting recognized commercial food service and energy standards. A 1-year warranty is included with each unit.
