PRODUCT OVERVIEW

The ChillCore Series CCRMG12.5 is a freestanding merchandiser refrigerator ideal for displaying beverages and packaged goods in commercial stores and cafes. Designed with a durable glass door for refrigerator applications, it provides maximum visibility while preserving internal cooling efficiency. This single-door unit has a 12.5 cubic feet capacity and includes 3 adjustable wire shelves with 3 matching racks, providing ample storage flexibility across one section.

Equipped with a bottom-mounted 1/6 HP compressor using R-290 refrigerant, this commercial merchandiser refrigerator maintains temperatures between 33°F and 41°F. It runs on 115 Volts for optimal cooling. The unit features auto defrost, digital temperature control, LED lighting, and a keyed lock for security.

Built from strong metal with polyurethane foam insulation, this unit measures 23 in (W) × 24.4 in (D) × 78.5 in (H). Supported by four swivel casters, it includes two casters with brakes. This unit is ETL Listed and ETL Sanitation-approved and comes with a 1-year warranty for reliable commercial use.
