SPECIAL FEATURES

- Compact Capacity**
 11.4 cb3 capacity with 2 decks supports organized food display in commercial kitchen environments.
- Digital Control**
 Equipped with a digital temperature controller with display for monitoring between 35.6°F to 50°F.
- Certified Standards**
 cETLus listed, ETL sanitation listed, and NSF certified for commercial kitchen compliance.
- Ventilated Cooling**
 Uses ventilated cooling for airflow across displayed food items in restaurant service areas.
- Automatic Defrost**
 Includes automatic defrost and automatic condensate evaporation for system operation.
- Warranty Coverage**
 Includes a 1-year warranty by the manufacturer for parts and labor.

PRODUCT OVERVIEW

The ChillCore Series Refrigerated Display Case is a freestanding open air / refrigerated unit designed for commercial kitchens, bakeries, cafés, and food retail environments. It operates on 115 V, 1 phase, 60 Hz with a 12.5 A electrical load and uses ventilated cooling for consistent air circulation across the display chamber.

The body is constructed using powder coated steel and glass in a black finish with double tempered glass. It features a curved design measuring 35.4" (W) x 33.2" (D) x 60.9" (H), suitable for compact commercial floor-based food display installations. The interior uses mirror stainless steel 304 for structured food placement and durability.

Temperature is maintained between 35.6°F and 50°F through a digital temperature controller with display. The system includes automatic defrost and automatic condensate evaporation, supporting continuous refrigerated operation in food service environments.

This unit includes LED lighting positioned at the top, under the shelf, and at the bottom for full display visibility. It is supported by 4 casters and 2 adjustable feet for movement and leveling. The display case is cETLus Listed, ETL Sanitation Listed, and NSF Certified and includes a 1-year warranty by the manufacturer.
