SPECIAL FEATURES

- ✓ **Curved Display Design**
Vertical curved structure supports structured food visibility in commercial kitchen and retail display environments.
- ✓ **Ventilated Cooling**
Ventilated cooling with finned evaporator supports consistent internal temperature distribution in display operations.
- ✓ **Adjustable Shelving**
Adjustable shelves support organized placement of bakery items, beverages, and packaged foods.
- ✓ **Shelf Lighting**
LED lighting per shelf supports uniform visibility across multiple display levels.
- ✓ **Digital Control System**
Dixell digital controller supports temperature management in refrigerated display conditions.
- ✓ **Certified Compliance**
CE Certified, ETL Listed, ETL Sanitation Listed, and NSF Certified structure supports commercial food handling requirements.

PRODUCT OVERVIEW

The ChillCore Series Refrigerated Display Case is a freestanding vertical curved unit designed for commercial kitchens, bakeries, cafés, and food retail environments. It operates with ventilated cooling and is suitable for open air / refrigerated display applications in food service counters and retail spaces.

The unit is built using powder coated steel and glass with a black finish and vertical curved structure. It measures 27.8" (W) x 28.23" (D) x 59.06" (H) and supports compact installation in commercial layouts. The display area is designed with adjustable shelves for structured product placement across multiple levels.

Cooling is managed through a finned evaporator system with a Dixell digital controller and a bottom-mounted Embraco / Secop compressor. The system uses R404a / R290 refrigerants and includes automatic defrost and automatic drain water functionality for condensate handling in continuous operation.

The display case offers a 5.65 cb3 capacity and a 5.6 sq.ft. display size with LED lighting per shelf for visibility. It includes a night curtain for front coverage and supports a total container capacity of 48 units in a 40 ft HC container. The unit is CE Certified, ETL Listed, ETL Sanitation Listed, and NSF Certified and includes a 1-year warranty by the manufacturer.
