1 Year Limited Warranty

SPECIAL FEATURES

- High Capacity**
Four 12L bowls serve over 231 cups per cycle, ideal for busy commercial kitchens.
- Consistent Mixing**
360° dual-axis slushy machine mechanism with four mixing heads provides uniform texture in all bowls.
- Efficient Serving**
Four taps, four lids, and detachable drip trays allow fast and hygienic beverage service.
- Visual Appeal**
LED lights enhance display and customer engagement.
- Durable Construction**
Stainless steel/ABS body and polycarbonate bowls withstand daily use in a commercial slushy machine environment.
- Digital Control**
Preset programs and multiple operating modes simplify operation for staff.
- Versatile Use**
Supports cold brew coffee, teas, fresh juices, and other slushy beverages.
- Warranty Support**
1-year limited manufacturer warranty supports reliable commercial operation of this slushy machine.

PRODUCT OVERVIEW

The ChefPro Series **CP48LSM 48L quad bowl slushy machine** is a **commercial slushy machine** designed for high-volume beverage service in restaurants, cafes, and foodservice operations. Constructed with stainless steel and ABS plastic and featuring polycarbonate bowls, this **slushy machine** combines durability with efficient beverage preparation. Overall dimensions are 11" (W) x 20.28" (D) x 32.17" (H).

This unit operates at 1500 W, 110 V, single-phase power at 60 Hz, and uses R410a refrigerant. It features a 360° dual-axis slushy machine mixing mechanism with four mixing heads for uniform consistency in all bowls. Digital/electronic controls allow precise operation across three preset programs and multiple operating modes. The machine includes four taps, four lids, and four detachable drip trays for convenient service and cleanup.

Commercial Slushy Machine Performance

This **quad bowl slushy machine** serves over 231 cups per cycle and maintains temperatures between 32°F and 46.4°F. LED lighting enhances beverage presentation, and the air-cooled compressor ensures reliable cold operation. This unit comes with a 1-year limited warranty
