WARRANTY

1 Year Limited Warranty

SPECIAL FEATURES

- Stainless Steel Build**
 Stainless steel construction supports routine use in restaurant and commercial kitchen environments.
- Secure Fastening**
 Set screws lock components in place, supporting steady operation on a busy prep line.
- Adjustable Leveling**
 Adjustable bullet feet support stable positioning on varied commercial kitchen floor surfaces.
- Stable Undershelf Storage**
 The adjustable stainless steel undershelf with reinforced support offers convenient storage for food handling tools.
- Backsplash Protection**
 The three-sided backsplash with a 2-inch height keeps ingredients contained on the workspace.
- Warranty Coverage**
 A 1-year limited warranty is included by the manufacturer.

PRODUCT OVERVIEW

The ChefPro Series Work Table is designed for restaurants, catering facilities, and other commercial kitchens that require a stable and durable stainless steel surface for food handling tasks. It features a flat top style made from stainless steel, supporting routine prep work.

The 0.8 mm thickness provides a stable work surface for daily kitchen operations. Its 60" (L) x 30" (W) x 26" (H) size offers ample workspace for chefs and food prep staff. A three-sided backsplash with a 2-inch height helps keep ingredients contained during busy kitchen activity.

The table includes four stainless steel legs, supporting load distribution, while adjustable bullet feet support leveling on uneven commercial kitchen floors. Die-formed corners provide added structure, and the square sides support flush alignment with other kitchen equipment.

The unit includes an adjustable stainless steel undershelf with reinforced under-shelf support, supplying additional storage space for cookware or supplies. The set screw fastening type locks components in place during operation. It features heavy-duty, upgraded construction, supporting routine commercial workflows. It includes a 1-year limited warranty by the manufacturer.
