1 Year Limited Warrantly

SPECIAL FEATURES

- ✓ **Three Compartments**
The sink features three separate bowls, each measuring 24" front to back, suitable for washing, rinsing, and sanitizing in commercial kitchens.

✓ **Integrated Drainboards**
Includes two drainboards, offering additional workspace for food preparation and dish handling.

✓ **Warranty Coverage**
The sink includes a 1-year warranty by the manufacturer, applicable for commercial kitchen use.
- ✓ **Durable Stainless Steel**
Constructed from 304 stainless steel with 16-gauge thickness, providing corrosion resistance and long-lasting performance in restaurant and food-handling environments.

✓ **Certified Safety**
NSF certification confirms compliance with commercial food-handling standards and sanitation requirements.

PRODUCT OVERVIEW

The ChefPro Series 3-Compartment Sink is designed for commercial kitchens, restaurants, and food-handling environments requiring multiple washing stations. It is constructed from 304 stainless steel with a 16-gauge thickness and a silver finish, offering corrosion resistance and durability.

The sink includes three compartments, each with a front-to-back measurement of 24 inches, and features two drainboards for additional workspace. It comes with a 9-inch backsplash and rolled edges, providing splash protection and smooth edges for safe food handling.

The sink includes a 1 1/2" IPS drain connection, 3 1/2" basket strainers, and two faucet holes on 8" centers. Adjustable plastic bullet feet support the freestanding installation, and the overall dimensions are 94" (L) x 29.4" (W) x 43.38" (H). The unit is NSF certified and includes a 1-year warranty by the manufacturer.
