SPECIAL FEATURES

- Nugget Ice Output**
 Produces up to 550 lb of soft chewable nugget ice every 24 hours for beverage and foodservice applications.
- Digital Controls**
 Digital controls and a digital display provide operational information for chefs and foodservice staff.
- Self-Clean System**
 The self-clean system supports routine cleaning in commercial kitchen operations.
- Integrated Storage Bin**
 The 275 lb storage bin supports continuous ice availability in commercial kitchen and hospitality environments.
- Automatic Shut-Off**
 The automatic bin shut-off function is integrated into the ice storage system design.
- Certified Compliance**
 The unit is certified to cETLus, ETL Sanitation, and NSF standards and includes a 1-year parts and labor warranty by the manufacturer with a 5-year compressor warranty.

PRODUCT OVERVIEW

The ProKitchen Series Air Cooled Modular Ice Machine with Bin is designed for restaurants, cafés, healthcare facilities, and commercial kitchens requiring nugget ice production with storage. It produces up to 550 lb of soft chewable nugget ice every 24 hours and includes a 275 lb storage bin. The unit is constructed from stainless steel and uses an air-cooled condenser with R290 refrigerant. Dimensions are 22" (W) x 29.5" (D) x 74.8" (H).

The ProKitchen Series Air Cooled Modular Ice Machine with Bin operates on 115 V, single-phase power at 60 Hz with a wattage rating of 1199.5 W and current draw of 11.81 A. It uses a NEMA 5-15P plug and includes a 60-inch power cord. Digital controls and a digital display provide operational information for commercial kitchen staff. The freestanding installation includes adjustable leveling feet.

The ProKitchen Series Air Cooled Modular Ice Machine with Bin produces nugget ice with soft chewable texture and includes automatic bin shut-off for storage management. The self-clean system supports routine cleaning procedures in foodservice environments. Foamed-in-place polyurethane insulation is incorporated into the bin structure for temperature retention.

The ProKitchen Series Air Cooled Modular Ice Machine with Bin includes a 275 lb storage bin for beverage service and food handling applications. Accessories include an ice scooper, water hose, and drain hose for installation and daily operation. The unit is certified to cETLus, ETL Sanitation, and NSF standards and includes a 1-year parts and labor warranty by the manufacturer along with a 5-year compressor warranty.
